At home art activities to brighten your day

“Doodle Cube”

This activity is appropriate for ages 8 - 12

Time from start to finish = 30 minutes – 1 hour

You will need the following materials:

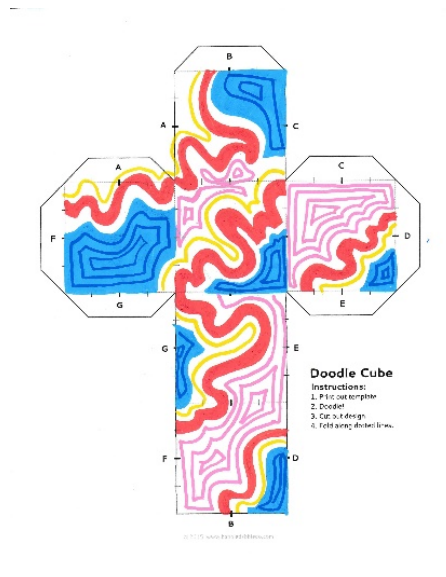

- Doodle cube template
- Printer
- Paper (we recommend cardstock or heavier paper)
- Pens/colored pencils/markers
- Tape/glue stick

Brief project description:

Use various drawing materials to create a colorful three-dimensional doodle cube!

Steps

- **#1:** Print the doodle cube template. Print as many copies as you'd like.
- **#2:** Use your drawing materials (pens, pencils, markers) to draw designs on your template inside the squares. You can draw a different design on each side or you can make one continuous design.

- #3: Once your template is covered in patterns/drawings, cut out your cube template.
- #4: Fold along the divided lines and match up the letters to assemble the cube.

- #5: Use tape or glue to adhere each side. Try making many different cubes and stacking them up to create neat, colorful doodle towers!
